**Subject:** A2A Database Update

Hello all,

Just a quick update – A number of you had expressed problems with discharging clients who quit the program or became unreachable prior to having birthing outcomes or EPDS forms entered. ITSD has been working on the issue, and should be deploying an update this evening that should allow you to bypass the birthing outcome/EPDS requirement before discharge.

However, <u>please only use the bypass option whenever absolutely necessary in order to discharge an unreachable client.</u> The birthing outcome form serves as an eligibility recertification that is required for TANF, so continuing to serve a client whose eligibility has not been recertified through the birthing outcome could result in you serving an ineligible client, and I don't have any desire to

find out how awful it is to be sanctioned by the federal government for that.

Thanks,
